UNWOUNDED GERMAN CAPTURED BY FRENCH TOTAL ONE THOUSAND

Last Night's Fighting Confirms the French Gain Reports.

By Associated Press Dispatch.
Last night's action on the French front confirms French possession of the commanding high ground won on the previous night near Moronvilliers in the Champagne.
The Germans thoroughly bombarded these new French positions and then delivered infantry attacks, but were unable to shake the French hold and suffered considerable losses.
The French have enumerated more than 1,000 unwounded prisoners taken in the fighting of the past few hours in this region.

AUSTRIAN STRIKES

(Associated Press Cable.)
Stockholm, via London, May 22.—According to information received here from a Hungarian source, a strike has been continuously in progress in all the Budapest munition factories since May 1.

MEXICANS PROTEST TO GERMANS

(Associated Press Cable.)
Amsterdam, via London, May 22.—A Berlin dispatch to the Exchange Telegraph Company says that the Mexican Minister to Germany is reported to have handed a note to the German Government protesting against the submarine campaign.
The report followed a prolonged conference between the Mexican Minister and Foreign Secretary Zimmermann on Monday.

NO U. S. PRESSURE

By Associated Press Dispatch.
Mexico City, May 22.—It was indicated here today that a thorough understanding existed among Government officials that the United States had not and could not exercise pressure to force Mexico to take sides in the war.

NEW ANGLE HAS ARISEN

Sweden Wants Finland Detached From Russia.

(Associated Press Cable.)
Helsinki, Finland, May 21, via Petrograd and London, May 22.—A congress of the Swedish political party representing a majority of Finland's wealthiest and most influential classes yesterday passed a resolution favoring a complete separation of the

Grand Duchy of Finland from Russia.

THE REASON OF IT

The resolution reads:
"The Finnish people have progressed so far in cultural and political development, that Finland is entitled to make a demand to take her place as an independent state among the number of sovereign nations."
This radical resolution is only the latest development of the Separatist agitation, which started after the revolution, and which is occasioning anxiety in Petrograd and bringing out sharp comment in the Russian press.

WILL FIGHT CENSORSHIP TO THE END

House Instructs Conferees to Hold Out

By Associated Press Dispatch.
Washington, May 22.—Republican representatives, in conference today voted overwhelmingly to instruct House conferees, in case they reported back the newspaper censorship section in the espionage bill, to hold out indefinitely against it.
The majority expressed themselves as absolutely opposed to all censorship provisions.

COMPROMISE IS POSSIBLE ON MAIL RATE

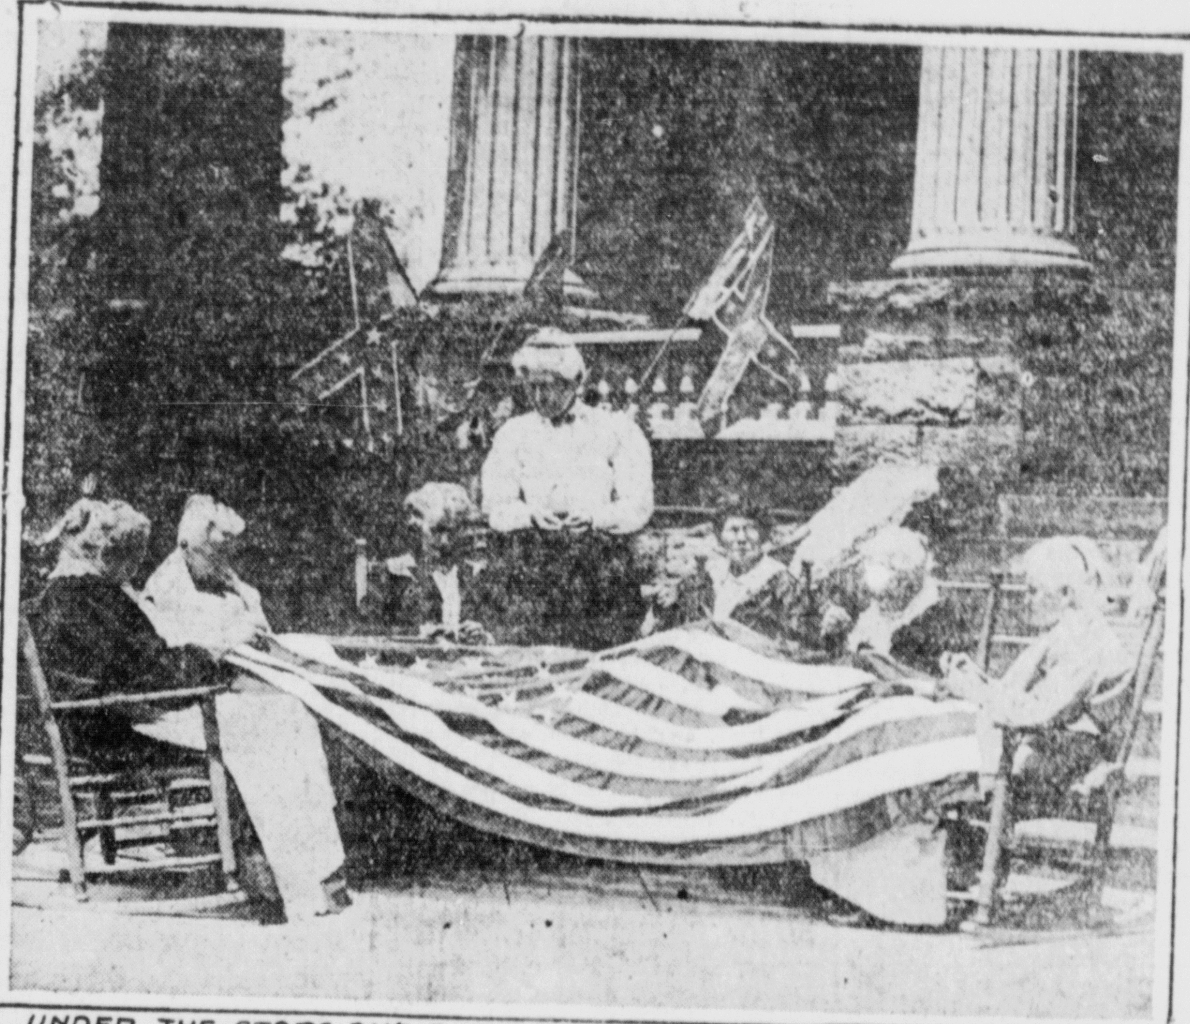

By Associated Press Dispatch.
Washington, May 22.—A compromise on the proposed second class mail tax, so as to make it from 1 and one-half cents per pound in the first parcel post zone to eight cents in the eighth zone, was agreed upon today by the House Ways and Means Committee.

Receipts from educational entertainments were excluded by the House from the proposed ten per cent amusement tax by a vote of 114 to 1. Representative Moore of Pennsylvania opposing.
He insisted that it was unfair that William Jennings Bryan should receive from \$200 to \$750 a night for "educational" entertainments, while the Government got nothing from them.

CHICAGO SALE OF FINE HORSES

By Associated Press Dispatch.
Chicago, May 22.—Hazel Armstrong, 2:06 3-4 pacer, was sold to John Bangert, of Chicago, for \$775 at the auction sale of the Chicago Horse Sales Company yesterday.
The stallion, Mobel, 2:10 1-4, now 20 years old, brought \$740, and went to F. F. Brockway, of Maryville, Mo.

UNDER STARS AND BARS THEY WEAVE "OLD GLORY!"

UNDER THE STARS AND BARS THEY MAKE THE STARS AND STRIPES!

Perhaps nothing else could symbolize so well the spirit of devotion of the south to the nation as this picture. Southern loyalty flamed out in 1898, thirty-three years after the closing of the great cleft in the Union, and now, fifty-two years after Appomattox, we see wives and widows of Confederate veterans at Atlanta, with the flag of the "lost cause" over them, sewing a great copy of the

FRIGHTFUL WORK OF MAD MOB

Negro, Confessed Murderer, Burned at Stake.

Soaked With Oil and Torch Applied.

By Associated Press Dispatch.
Memphis, Tenn., May 22.—Elli Persons, a negro, confessed murderer of Antoinette Rappal several weeks ago, was burned to death near the scene of the crime at 9 o'clock today. A mob estimated at from 2,000 to 3,000 witnessed the death of the negro.

In preparation for burning, the body was soaked in oil and afterward suspended in mid air from the limb of a nearby tree.
A torch was then applied, and the body burned fiercely until the scorched flesh of the negro fell to the ground.

Persons is said to have repeated his confession that he killed the child, and implicated two other negroes. Members of the mob immediately set out in pursuit of them.

When all was in readiness, Mrs. Rappal, mother of the dead girl, was taken to the bridge where the prisoner was held and identified him.

In a short speech to the mob, she declared that she wished Persons to suffer the tortures he dealt to his victim.

ACCOMPLICE CAPTURED.
Telephone messages at 10:30 o'clock stated that the mob had captured DeWitt Ford, a mute, one of the negroes implicated by Persons in the murder of the girl, and was on the way to the scene of the first lynching.

CINCINNATI VOTING FRAUD CASES DITCHED

By Associated Press Dispatch.
Cincinnati, O., May 22.—United States District Judge Hollister today sustained the demurrers to the indictments which charged ninety-nine men with having violated the election laws here at the election last November.
The action serves to throw the cases out of court without trial.

DEMURRERS SUSTAINED.
Judge Hollister sustained the demurrers to the indictments on the ground that the Federal Court lacked jurisdiction. The court declared that the charges made in the indictments had been committed by Congress to the State for investigation.
Sixty of the original ninety-nine men indicted pleaded guilty and are being held in jail at Dayton, Ohio, awaiting sentence, and it was announced this morning that they will be returned to this city immediately and released after changing their pleas.
The men have been imprisoned for two months.

TRAINMEN ARE KILLED

By Associated Press Dispatch.
Clarksburg, W. Va., May 22.—A dozen trainmen are believed to have been killed and a number of others seriously injured, when a wreck train on the Baltimore & Ohio railroad crashed into a moving freight train at Wallace, 15 miles north of here today. Five bodies have already been removed from the wreckage.

According to reports received here from the scene of the wreck, the wreck train was running backward and met the heavy freight train on a curve.
The cars in which the casualties occurred were said to have been reduced to splinters.

PRESIDENT OF BRAZIL ADVISES A "BREAK"

(Associated Press Cable.)
Rio Janeiro, Brazil, May 22.—President Braz has sent a message to Congress recommending the revocation of the decree of neutrality in the war between the United States and Germany.

Congress is expected to accept the recommendation by a large majority. The message declares that the order to the Brazilian authorities enjoining the observance of neutrality was only intended to be effective until Congress met. It continues:

"Today, in consideration of the fact that the United States is an integral part of the American Union; in consideration also of the traditional policy of Brazil, which has always been governed by a complete unity of view with the United States, and finally in consideration of the sympathy of a great majority of the Brazilian Nation, the Administration invites Congress to revoke the decree of neutrality."

EARTHQUAKES IN NEW YORK

By Associated Press Dispatch.
Ogensburg, N. Y., May 22.—Three distinct earthquake shocks were felt in this vicinity at 4 a. m. today.
Persons were roused from sleep by the shaking of their homes, but no damage has been reported.

RUMORED SUB BOAT OFF COAST OF MAINE

Naval Official Investigate Story of Fishermen.

By Associated Press Dispatch.
Portland, Me., May 22.—It was officially made known today that the reported presence of a submarine off the Maine coast was being investigated by the naval stations.
A patrol scrutiny of these waters was ordered, following a report to the naval station that a periscope was sighted late yesterday afternoon, and that at 6 o'clock last night a submarine was seen running awash off Machias.

On the heels of these reports came word today from three fishermen that they had sighted from two different points what they believed a German submarine.
They sighted the craft, they said, off the mouth of the Kennebec river at 9:15 o'clock this morning.
When this was reported to a naval officer, he furnished the Machias end of the story and confirmed press reports that an investigation was under way.

ATLANTA'S FIRE LOSS \$4,000,000

Ten to Fifteen Thousand Homeless as Result of Fire.

By Associated Press Dispatch.
Atlanta, Ga., May 22.—Estimates today were that from 10,000 to 15,000 persons are homeless as a result of yesterday's fire, which swept through approximately seventy-five blocks of residence property, ranging from negro shacks to homes of influential citizens in the northeastern section of the city.

R. S. Rust, assistant secretary of the Southern Underwriters Association, roughly estimated the property loss at \$3,500,000, and the loss to insurance companies at \$2,500,000.
Relief work started hours before the flames were subdued and was pushed rapidly today.
The Public Safety Committee of the Atlanta Chamber of Commerce at a joint meeting laid plans for handling the situation, and later a mass meeting was held.
Preparations have been made to feed 5,000 homeless. No more than that are believed to need immediate relief.
The relief forces were so quickly organized that the homeless were fed promptly last night, and today meals awaited them at the Auditorium armory.

GEORGE CREEL, FIGHTER IN MANY REFORMS, WILL EDIT BULLETIN

George Creel, well known as a newspaper man and magazine writer, is chairman of the recently created "committee on public information." It issues daily an official bulletin, which "is designed to inform the public on the progress of the war and of official acts incident to its progress." The bulletin presents all proclamations and executive orders issued by the president, rules and regulations promulgated by the federal departments, statutes bearing on the war and their construction and all other subjects related to the prosecution of the war to which publicity properly may be given.

GUARD KILLS LIFE CONVICT

Franklin County Murder Convict Meets Instant Death.

By Associated Press Dispatch.
Columbus, O., May 22.—George B. Isom, negro 39 years old, serving a life sentence for murder committed several years ago at Taylor Station, Franklin county, was shot and instantly killed by Joseph Ehret, a guard, in knitting mill at the Ohio State Penitentiary today.
Isom had Ehret on the floor and was trying to wrest the guard's revolver away, when Ehret shot him through the chest near the heart.
Isom objected to being rebuked for walking through a pile of sweepings when the trouble started.

TO INCREASE COMMISSION

Would Make Interstate Commerce Body More Efficient.

By Associated Press Dispatch.
Washington, May 22.—The bill to increase the membership of the Interstate Commerce Commission from seven to nine members, and allowing them to divide into sections for the expediting of business, was passed today in the Senate, with an amendment by Senator Smith of Georgia providing that the whole commission must give a hearing and confirm freight rate increases before they become effective. A similar bill is pending in the House.

COUNCIL GIVES ATTENTION TO STREET IMPROVEMENTS

\$10,000 Bond Issue Authorized to Pay City's Portion on Various Streets—Postpone Action on Stock Pens—Wage of Street Laborers is Increased.

The adjourned session of the city council, held Monday night, lasted less than one hour. Few visitors were present. All councilmen were present with the exception of Sheets.

Under the head of new business, P. J. Burke, Jr., asked council to take steps to construct curb and gutter on Water street, as per agreement when that street was widened. He declared that the street had not been macadamized as agreed upon, and asked that this be done.

Frank Johnson, interested in the improvement of Temple street, asked for more time in which to report on a proposal to narrow the street.

The Law and Ordinance Committee was not ready to report on the infringement on Water street by the C. H. & D. railroad and The Standard Oil Company.

An ordinance to increase the salaries of the police and firemen was presented and passed. It increases the salary of the police chief to \$70 per month with fees in state cases. Patrolmen draw \$70 per month without fees. The Fire Chief draws \$75 per month and the regular firemen \$70.

The committee having under consideration the extension of water mains on Florence and Willard streets, asked for more time, stating that there were three routes by which the water could be extended, and they wished to pick the most practical route.

B. & O. Stock Pens.

The B. & O. stock pens next received consideration. An ordinance had been prepared to authorize the Solicitor to bring suit to have the

pens removed on the grounds that they were a public nuisance.

Evans declared that he believed the Board of Health should act, and said that since the agitation had been started the B. & O. was keeping the pens in better condition. He admitted he might be somewhat prejudiced against their removal, being a railroad man.

Howell stated that there had been agitation for years, and that the B. & O. had failed to keep the pens clean although this had been agreed upon a number of times. Rowe thought the Board of Health should act.

Solicitor Gregg said that the pens were located where they are before the property was built about them, and that a court would probably take this into consideration in dealing with action for removal of the pens. However, he declared, the property owners could bring action if the pens were not kept in a sanitary condition.

On a motion to read the first time Evans voted no and the others yes. Veal then moved to table the ordinance until the next meeting. All voted for the motion.

A resolution fixing the amount at \$500 which the city is to pay on the South Fayette improvement, E. Elm street to the corporation line, was passed. The ordinance provides that the work be done under the direction of the county commissioners and township trustees. The improvement, \$50 feet in length, connects the present paving on Fayette street with the Chillicothe pike paving.

Bond Issue of \$10,000.

An ordinance to issue \$10,000 in bonds to pay the city's portion of certain street improvement, was submitted and passed. It was announced that \$8,000 of the amount was to pay the city's portion of Market street, and to cover a shortage of about \$800 on Ogle street, while \$500 was for the work on South Fayette street.

An ordinance to proceed with the improvement of Market street, paving full width from Hinde street to North street, the present unpaved portion, was passed.

Evans asked that as much crushed stone as could be obtained be applied to the side streets for their improvement.

Howell suggested that the first streets to be improved should be the old paved streets in the heart of the city where neglect had resulted in many holes appearing that were really dangerous.

He asked that the curb and gutter on Water street be constructed as soon as the Safety-Service Director had funds available. He also declared that Water street had been thoroughly macadamized, and required no more crushed stone.

Laborers Get Increase.

Upon request of Safety-Service Director Hillery for increasing the wages of the street employees, a resolution was passed fixing the price of unskilled labor at 25 cents per hour; skilled at 31 1/4 cents and teams at 50 cents.

Upon motion by Rowe the extension of the water mains on West temple street for a distance of 450 feet from Water street, was authorized.

Veal declared there was urgent need of a sidewalk on Water street, and moved that Mr. Burke be instructed to lay the sidewalk. Howell stated that it was his belief that in the original agreement on Water street, Buks was not to construct such sidewalks.

Solicitor Gregg was praised for the original resolution required on the Fayette street improvement.

The S. S. Director was authorized to lay a "Y" sewer at E. Elm street, on South Fayette, so that extensions could be made at either side of the new paving to be laid.

DEATHS

Walter R. Dearth aged eight, only son of Mr. and Mrs. Chas. Dearth, living one mile north of Bloomingburg, died Monday night at ten o'clock.

Funeral services will be held Wednesday at 2 p. m. at the residence. Burial in Bloomingburg cemetery.

60 MEN WANTED TO ENLIST IN LOCAL COMPANY

Recruiting Officers Now on Duty at the Armory and Believe Local Men Will Volunteer for Service in Company Rather Than Enlist With Strangers.

Company M is now calling for recruits in real earnest, and wants 60 men as soon as they can be enrolled. Anyone between 18 and 45 years is eligible.

This is in accordance with the command issued Monday by Col. Hough, who ordered the company recruited up to full war strength of 150 men.

It is believed that the response will be prompt and that many young men will enlist within the next few days before the conscription becomes effective, preferring to enlist with local men and see service together, rather than to run the risk of being placed among strangers when conscription becomes effective.

There are a number of officers wanted for the company, and included in these vacancies which may readily be filled by men of ability along particular lines, are the posts of Second Lieutenant, several Sergeants and many Corporals, and these will be filled by competent men.

First Lieutenant Paul and Sergeant Mose Merritt have been detailed as recruiting officers, and will be found at the Armory from 8.00 a. m. until 9.00 p. m., and prospective recruits will find one or both of the officers there at all hours between the times indicated.

Under present orders Company M will be mobilized with all other Ohio troops on July 15th, and the interval until that time will offer ample opportunity to become well acquainted with military drill, so that when the call to service comes they will be prepared.

Recruiting is expected to be lively during the next two or three weeks, and only men of good character and sound in body are wanted as recruits.

BROMLEY RECEIVES \$3200 IN NEWARK

Evangelist Henry W. Bromley, according to Newark newspapers, was paid approximately \$3200 for his work in that city, and the number of trail hiders is announced at 1800, although it is understood from the Evangelist himself that the number was about 1400.

Of the amount \$2400 was raised at the Sunday morning service; \$400 at the afternoon service and \$500 at the night service.

BOYS WHO WANT TO SWIM MUST REGISTER

All boys who desire to learn to swim are requested to, forthwith, notify Physical Director Parker, by phone or otherwise, so that he may arrange schedules accordingly.

The swimming campaign is open to all boys in the city.

DARRELL DEVORE TRIAL POSTPONED

The trial of Darrell Devore, charged with robbery, has been postponed for two weeks, upon request of the state. Devore is under indictment in the Clark county courts. He is represented by Tom S. Maddox of this city.

"Y" IS READY TO PAY ALL ITS BILLS

Announcement is made that the Y. M. C. A. is anxious to pay all outstanding bills, and Secretary Patton requests that all bills be presented not later than June 1st.

MEETING TONIGHT; BRING YOUR NEEDLE

The regular meeting of the National League for Woman's Service will be held this (Tuesday) evening at 7:30 at the Federated club rooms. Bring knitting needles No. 3 and No. 5.

FURTHER HEARING OF KIRKPATRICK DITCH

The county commissioners of Fayette, Ross and Pickaway counties met in this city Tuesday for the purpose of taking up matters regarding the Kirkpatrick tri-county ditch.

GENTRY BROTHERS CIRCUS IS HERE

It is here! It came into town with the first beams of the new day, and will depart tonight at the midnight hour.

Gentry Brothers' widely known "dog and pony" show has pitched its tents on the old fair grounds, and this afternoon gave one of the usual high class performances in the presence of a big crowd of delighted spectators.

But the show is not confined to dogs and ponies. A great many of the attractions found in the largest shows are included on the program both afternoon and evening.

The parade just before the noon hour was a credit to the show, and was of a strictly high class nature, as indeed is the entire program of the show.

The circus came into this city from Xenia and will go to Chillicothe. Tonight's crowd is expected to be even greater than the afternoon audience.

Two passengers were injured seriously and many others were cut and bruised when a car on the Detroit, Monroe and Toledo electric line was wrecked near Wyandotte, Mich.

WAR FINANCES AND THE HIGH PRICES

(Associated Press Cable)

London, May 22.—War expenditures constituted the main cause of inflation of prices in the United Kingdom, declared Prof. Foxwell in a recent address to the Institute of Actuaries. Other causes assigned were the continued large output of gold, increase in the use of checks in Germany, France and Russia, and enormous issue of notes in most of the belligerent countries except England, and the unprecedented issue of silver and other subsidiary money.

NEW LEADER OF THE MEXICANS IS JUST FIVE-FIVE

(By Associated Press Dispatch.)

Juarez, Mexico, May 22.—Mexican leaders have been Napoleonic in size for centuries, and the newest military hero of the north is no exception. General Francisco Murguia, the new commander-in-chief of the Mexican division of the northeast is only five feet five and one half inches in height.

The commander who has succeeded in defeating Francisco Villa three times within as many months and has been defeated once by the revolutionary leader, is called "The Fighting Cock of the North," because of his aggressive tactics against Villa and his followers.

Soon after his arrival in Chihuahua City at the head of his Death's Head Brigade, General Murguia attacked Villa near Juarez, defeating the enemy in a series of decisive movements. He followed Villa to Parral where he defeated him a second time only to have his own forces caught in a canyon trap at Rosario, Durango, while pursuing Villa into the mountains and was forced to retire to his base at Chihuahua City. He then defeated and drove Villa off when he attacked the state capital. Loading his brigade on nine troops trains General Murguia rushed them to Juarez and then into the country evacuated by General Pershing's punitive expedition to undertake a comprehensive enveloping movement against the Villa troops.

General Murguia wears the characteristically fierce black mustache of the Mexican army officer, has keen, snapping black eyes and a bulbous nose and a strong chin. Like many men of small stature, he is immaculate in his dress, wears tailored uniforms and sees that his boots are always polished.

PICNIC WILL BE RECORD BREAKER; SET FOR JUNE 6

Committees Are Named and Definite Arrangements Made. Will be Held at Beautiful Cedar Hurst—Fish and Game Association Looking Forward to Big Event.

An enthusiastic meeting of a number of members of the Fayette County Fish and Game Protection Association, Monday night, definite plans were discussed for the annual picnic of the Association, which will be held at Cedar Hurst, on Paint Creek, just below Rock Mills, on Wednesday, June 6th.

Plans are being made to accommodate 500 men, and the picnic gives indication of being the greatest in the series. Ball games, trap shooting, rifle range and numerous other attractions will be on the fifteen beautiful acres of Cedar Hurst. Committees will meet Thursday night of this week. The various committees are:

Grounds—H. C. Ireland, Walter W. B. Lansing, Chas. Allen, Refreshments—Frank Blessing, Sunkie, F. M. McCoy, Wm. Fogle, Reichert, Andrew Reichert and McLean. Trap Shooting—Earl McLean, Dr. H. Madux, Harley Wilkin, Edgar. Casting—O. W. Brown, Ira. Rifle and Pistol Shooting—H. E. Sherry, C. S. Haver, H. G. Coffey, B. E. Paul and A. W. Rife. Fish and Game—A. W. Duff, D. Mallow, Hall, Chas. M. H. B. Dahl, Clifford Peddie.

Ball Game—Carl Noon, Fred B. Bert, Ellis, Herbert Brownell, Patton. Automobiles and Transportation—Pine, C. A. Cave, M. E. Hitchcock, Earl Barnett.

Frank Parrett, Judge Allen, Chas. A. Reid. Program Committee—Chas. Allen.

DAY AT SUNNYSIDE

Children of the primary department of the Sunnyside school with

their teachers, Misses Maude Bush, Prue Taylor, Emily Tanzey and Agnes Kerrigan were indebted to the parents of the school district for a delightful surprise treat on Monday afternoon.

The children were indescribably happy and the occasion marked the ideal closing of a delightful school year.

The children with a number of visitors were comfortably seated in the Kindergarten, gay with flowers and flags and the indoor May-pole flaunting ribbon of patriotic colors.

Victrola music was followed by a short patriotic program.

Miss Mary Edge played beautifully the organ music for the choruses.

Delicious ice cream cones were served to the children by Mesdames Ed. Fite, Jesse Blackmore, Harry Sprenger, Thomas Kiesel, W. R. Ellison, Richard Hays, J. N. Happenny, Martin Hughey, Edward Boswell, John Ferguson and Charles Cramblitt.

A special treat of candy to be taken home by each child was gift of Mr. Ed Fite.

Happy memories of the day will linger with the children through the years to come.

SHOW MUSICIAN WANTS CITIZENSHIP

Hide Amandus Lindor, aged 29 years, born in Stockholm, Sweden and a resident of the United States since July 5, 1915, made application to Clerk of Courts E. W. Durlinger, Tuesday morning, for citizenship.

Lindor is a musician with the Gentry Bros. shows, exhibiting in this city, and his declaration of intention to become a naturalized citizen of the United States is the result of the spirit of patriotism which he has acquired during his short residence in America.

At the present time Lindor claims St. Claude, Minn., as his legal residence.

SABINA VISITED BY INSPECTORS

Sabina was recently visited by a corps of State Liquor License Commission inspectors, who went through the drug stores, black smith shops, other places of business, and even a residence or two, creating quite a little stir.

The visit of the outgrowth is said to have been the operations of gumshoe work of agents of commission who had been in the town for several days.

What the inspectors found is not known, but some definite results are expected in the near future.

WOMEN OF DRY FEDERATION TO MEET ON NEXT FRIDAY

The Women of the Dry Federation of the County are requested to meet with Washington W. C. T. U. to discuss matters of important business, on Friday, May 25th at one o'clock prompt at the Y. M. C. A. rooms.

This means all who are interested in making Ohio dry and a good attendance is urged.

PRESS CORRESPONDENCE 121 13 Reg.

EIGHTY CHILDREN CELEBRATE BIRTHDAYS

All the children of the central beginners and primary grades under Misses Bell, Haines, Pinkerton and Saxton, who have birthdays from December until September were delightfully entertained with a birthday party in the corridor of the old High School building Monday afternoon.

It was a postponed party and rather unexpected by the children. Some time ago the teachers invited the mothers to a little conference, in which it was decided to promote the children's saving system and instead of the usual birthday party help the children towards their summer's investments.

But while also helping the children the mothers decided to also co-operate with the teachers in giving the little tots the party to which they had been looking forward.

There were eighty "birthdayites" and instead of making each one the usual distinguishing band costing a penny the teachers presented each one with a bright new penny for the savings bank.

The mothers treated to ice cream candy and cake and received three rousing cheers from the happy little people.

A splendid birthday cake, with red, white and blue candles and tiny flags was a feature of the occasion.

"THE BUCKEYE'S GRIEVANCE"

Good morning, cousin Buckeye, What makes you look so blue? Enlisted in the army,

Or lost a friend or two?

The trouble, cousin Chestnut, Lays at the Gov'nor's door. He said Ohio had not

A native song in store.

And so he took a notion To offer quite a sum For native words and music To stir the fire and drum.

Then fifty thousand rhymers, Or nearly that, I guess, Began to scratch and splatter, And such a buzzin' mess!

Got all the dictionaries, And searched them thru and thru For words to rhyme with Buckeye, Which none of them would do.

Those songs would go, tho crippled And falling by the score, The Gov'nor saw them coming, And got behind the door.

Waste baskets could not hold them They choked the furnace up; The postman celebrated, When the Gov'nor said, enough.

I tell you, cousin Chestnut, I've suffered many wrongs; My family name is jumbled In fifty thousand songs.

And so a Buckeye army Avenged our family name, And left the Gov'nor wiser; That's why you see me lame.

We danced about his office; We danced upon the stairs; We went with him to dinner; And we jumbled up his prayers.

He could not rest a minute; For we were everywhere. Buckeyes were in his coffee; And Buckeyes in his hair.

That's why I'm lookin' seedy; I've left my family tree Since these Ohio rhymers Made a Chestnut out of me. —N. B. R.

NOTE—The author intends no personal thrust, as she also responded to the call of the Governor for a native song and made free use of the poor Buckeye.

WILL TEACH IN SABINA

It is being learned with much regret that Miss Clara Haines, who has so fully demonstrated her ability as one of the primary teachers of Central, has accepted a position at an advanced salary to teach in her home town of Sabina next year.

SAVING THE WHEAT BY USING MORE MEAL

By Associated Press Dispatch.

Columbus, O., May 22.—Restaurants and cafes in the Ohio capital have caught the war spirit. Slips attached to menu cards in several of the most popular downtown places bear an inscription in big black letters at the top: "Help Save the Wheat." Below that is a partial list of the many dishes served that are made from corn.

One of these contains the following suggestion for diners who appreciate the country's food needs:

- Corn bread with butter.....5c
Corn Muffins.....5c
Mush and Milk.....10c
Fried mush.....10c
Fried mush and bacon.....25c
Corn Fritters.....10c
Corn Cakes.....10c
Stewed Corn.....10c

"The suggestion of appealing to the patriotism as well as the appetite is being followed by many proprietors now."

TO CAN FRUIT

By Associated Press Dispatch.

Canton, O., May 22.—Club women of the city are planning to can surplus food during the coming summer at community centers. The women intend to use school and church kitchens as meeting places and all available fruits and vegetables will be "put up."

Poetry For Today

STAND BY YOUR TOWN.

If you think your town's the best
 Tell 'em so!
 If you'd have her lead the rest
 Help her grow.
 When there's anything to do
 Let the fellows count on you.
 You'll feel bully when it's through;
 Don't you know?

If you want to make a hit
 Get a name,
 If the other fellow's it
 Who's to blame?
 Spend your money in your town.
 Thusly keep your prices down.
 Give the mail concerns a frown—
 That's the game!

If you're used to giving knocks,
 Change your style;
 Throw bouquets instead of rocks
 For a while;
 Let the other fellow roast,
 Shun him as you would a ghost,
 Meet his hammer with a boast
 And a smile.

When a stranger from afar
 Comes along
 Tell him who and what you are—
 Make it strong;
 Needn't flatter, never bluff,
 Tell the truth, for that's enough;
 Join the boosters—that's the stuff.
 We belong.

—Business Building.

ISSUE WARNING

(By American Press)
 Washington, May 22.—Warning against attempts in any state to organize new units of the national guard which are not in accord with the organization plan for the guard approved by President Wilson, was given by the war department. As it stands the guard is deficient in artillery, signal, engineer and other special service troops in proportion to the number of infantry regiments. Specific instructions have been given to the adjutant generals as to the units of each arm of the service for which each state will be held responsible. The department requests that persons interested in raising new national guard units confer with the adjutant general of their state in order to determine what branch of the service should be augmented.

CORN PROSPECTS NEVER BRIGHTER

(By Associated Press Dispatch)
 Columbus, O., May 22.—Corn crop prospects never have been brighter and if favorable weather develops, Ohio will have a bumper crop. N. E. Shaw, secretary of the state board of agriculture, said yesterday.
 The soil seldom has been in better condition to plant than this year, Shaw says, because last summer's drought and last winter's freezing made the top soil loose and easily cultivated.
 Besides, last week was an ideal time for planting in Ohio, Shaw explains, and fully 80 per cent of the planting has been completed. He is receiving reports, showing an increase in acreage above former years. Early rain is needed now, he says.

TO TEACH AVIATION AT OHIO STATE BEGINNING IN JUNE

(By Associated Press Dispatch)
 Columbus, O., May 22.—The essentials of aviation, which will include a brief course in physics, radio work, electricity, photography, internal combustion engines, airplane construction, map making and meteorology will be taught at Ohio State University here beginning June 1. The purpose is to train men for the United States aero forces. The technical school and laboratories here will be conducted in conjunction with aviation field work at Dayton, on a government flying field which has been established near the Wright aeroplane factory. Rudiments of the service will be learned here under special instructors and the students then sent to Dayton for actual flying practice and instruction.

Ohio State university is one of six schools picked out by the war department to offer instruction in aviation. The others are Illinois, California, Texas, Cornell and the Massachusetts Institute of Technology.

Professor Fred T. Magruder, of the department of mechanical engineering; Prof. Henry C. Lord, of the department of astronomy and Prof. William A. Knight of the department of industrial arts have just returned from Toronto, Canada, where they took a three weeks' course of special work under Colonel C. G. Hoare, of the Royal Flying Corps. The laboratory and rudimentary work here is to be directly under their supervision. The course of instruction for each unit of pupils will last eight weeks.

When one class has finished the technical course at the university, another will be started. Members of the finished class will go directly to Dayton for actual flying instruction. Several airplanes and machine guns used on them have been sent to the university here and arrangements for the first classes are well enough along that, if necessary, the school could be opened in a week. However, June 1 is the tentative date set for the opening of the school.

To take the course, enlistment must be made in the aviation division of the signal corps of the regular army. The blanks furnished at any recruiting station must be filled out and

sent to the chief signal officer of the United States army along with three letters of recommendation from reputable citizens. A regulation physical examination is required. If the applicant is accepted, he immediately will be instructed to report to the nearest training school, such as the one to be established here.

According to Prof. Magruder, there is a general demand for men in the flying service. He said more than 600 already have been accepted and 2,500 more have applied. Three years of college training or its equivalent is one of the requirements. Another is that each applicant must be 21 years of age or over.

As rapidly as classes are turned out by the instructors here, the pupils will get actual flying experience at Dayton and it is probable an airplane trial route will be established between Dayton and Columbus, with suitable landing places between the two cities. As the recruits develop knowledge and experience, longer flights will be made.

COUNTY OFFICERS ARE INSTRUCTED

(By American Press)
 Columbus, May 22.—Governor Cox wired every sheriff in the state, requesting that all blanks, forms and stationery received by them from the federal government for military registration be turned over at once to the county boards of election. He also directed Secretary of State Fulton to issue to the boards of election a letter of instructions as to the forms and blanks that will be necessary for the purpose of registration in order that any delinquencies in shipments might be corrected without delay.

The governor is about to issue his "call to the colors" proclamation, supplementing the president's proclamation which fixed June 5 as military registration day.

Colonel Hubert J. Turney, Cleveland, who is provost marshal general, opened state registration headquarters in the senate chamber at the statehouse.

Adjutant General Wood, in conformity with war department orders to recruit the Ohio national guard to full war strength, ordered a statewide, intensive recruiting campaign. A commissioned officer and enlisted man in each company is authorized to open a recruiting station.

Major Frank D. Gerlach, Wooster, will succeed C. C. Weybrecht as lieutenant colonel of the Eighth regiment.

Captain W. E. Walkup, Company B Akron, was named to succeed Gerlach. Weybrecht, who is colonel of the new Tenth, reports a membership of 1,100 in the regiment.

MARIETTA BLUES ARE GETTING BUSY

(By Associated Press Dispatch)
 Marietta, O., May 22.—An organization to be composed of men sixty-five years of age or more and to be known as the "Marietta Blues" is being formed here by a number of prominent citizens with the prospect of a large membership.

The purpose of the organization is to mobilize the seasoned citizens of the city with a view to lending their assistance to the country in time of war.

More people every day are finding Herald want adds superior.

THE OLD RELIABLE

STILL IN THE LEAD

We will have fancy strawberries for tomorrow. Will sell as low as the market will permit. Hot house cucumbers, green beans, asparagus 15c per bunch. New tomatoes 15c per bunch. Green onions, radishes; cabbage 15c per lb. Fayette County Honey 20c per lb. Jumbo bananas. Sunkist oranges 30c per dozen. Fancy lemons. Fancy prunes, peaches and apricots. 25c best cane granulated sugar \$2.30—subjected to change without notice. The Circus

Today is circus day—the second circus for Washington this year.

It is doubtful if any show, large or small, ever comes to any town without winning the plaudits of the younger generation and bringing to the older folks many pleasant memories.

Once upon a time the great show of P. T. Barnum exhibited in Washington. The show was not as large in those days—thirty odd years ago—as it is today but neither was Washington nor Fayette County.

Adam Forepaugh came here too with his big shows, we remember Adam Forepaugh seated in a chair at the Main entrance—Adam with his broad face and beaming countenance, flowing "Mutton Chop" side whiskers, flowered vest, huge watch chain, cane and all the whole lay out—it's as plain as though it was only yesterday that the great Adam Forepaugh was here—right in this good old Washington C. H., and young Adam too. We remember young Adam as he stood at the very apex of that pyramid of elephants.

Then too, in those times, came the Robinson shows when "Old John" himself was in charge and Low Low, the great clown, with his "bring in another boss."

Do we remember those days? Can we ever forget them?

But that is past and gone. What we started out to say was—go to the show—go to every one of them. It will carry you back to the time when some one held tight to your hand and piloted you through the big "white tops" that came to town when you were a "kid."

The Light Still Shines

In beautiful language Rev. D. W. Barre told the graduating class of nineteen seventeen and the large audience at the auditorium Sunday night that the world must get closer to the Nazarene; that humanity has gotten too far away from His teachings and has failed to make practical application of those teachings to every day worldly affairs and that we must bridge the chasm which too learned theologians have created.

He called attention to the world confusion, the turmoil, the destruction and death, on the great battlefield, when all the Christian world seems involved in the awful work of war, the uncertainty of the times when no man knows what the next hour will bring forth.

Out of all the turbulent present, out of the black pall of battle the light still shines and humanity, by realizing the individual responsibility, will struggle successfully through the black present to that light—and the world will emerge better for the conflict, to a time when every man will receive according to his merit.

It is wonderfully reassuring, as we grope along through the present, to have such wholesome beliefs brought home to us.

Rev. Barre is exactly right about it. This tremendous upheaval, with its sorrows and awful tragedies, is but working out the greater and better destiny of man. It is a time when the individual must realize and suffer and die, in order that humanity may progress, it is the restlessness and the discontent of wandering people who have gotten too far away from Christian faith.

FORD OWNERS!

Did You Ever Run on Hot Gasoline?

We have a Manifold for Ford Cars which uses the heat from the exhaust to heat the gasoline mixture before it enters the cylinders.

Our Manifold is made in one piece and bolts on the engine in place of the regular exhaust pipe. Costs nothing after it is put on. Will run for years without any attention. Will last longer than your Ford Car and be in good condition when your Ford is worn out. Easy to put on. No holes to bore. Comes machined ready to fit.

By heating the gasoline mixture we get perfect vaporization, extract all the power to the last ounce from the gasoline, leave no unexploded gasoline in the cylinder to form carbon or get down past the piston into the crankcase and destroy the efficiency of your oil, give you a smoother running engine under all weather conditions and with any grade of gasoline, give you more power than you ever had before, give you more pickup power, more hill climbing ability, more flexibility, more steady pulling at slow speeds smooth pulling power at slower speeds than you are now able to travel, reduce the quantity of oil you now use, lengthen the life of your engine—and your car, reduce your repair bills, reduce your up-keep cost, give you many more miles to the gallon of gasoline, and last but not least, very materially increase the comfort, pleasures and satisfaction you derive from your Ford either as a business or pleasure car.

All Our Manifolds Are Put Out Subject To Trial

AutoSpecialties Co.

WASHINGTON C. H., Ohio.

In Social Circles

The aftermath of a thoroughly enjoyed commencement season at Good Hope was the Wayne township alumni party, held at the hall Monday night.

It was a brilliant and beautiful party, for which the hall had been elaborately decorated in roses and carnations and the class colors grey and gold in overhead streamers.

Launching an evening of much gaiety Miss Alice Wayland, President of the class of 1917, led the grand march with Principal C. S. States. Pretty programs, of grey, with the class numeral in gold and gold pencils, were presented to each participant in the march and were filled with five engagements, in dance program style.

The first engagement a hilarious "Pickaninny Hunt," in which Miss Jeanette Walker and Mr. Clarence Perry won the prize. The second engagement, "Things Our Grandmothers Used to Knit," brought prizes to Mrs. A. S. Stemler and Mr. A. N. Peters.

The third engagement was in the form of an entertainment, to which the class officers contributed their productions. Prof. T. H. Everhart made an excellent talk on "The School of Life," and Prices' Orchestra furnished fine music.

Number four was a very amusing musical race and Miss Faith Chaffin, of New Holland, and Mr. Carl Schreiner, won the prize in a unique "Shopping Trip."

An elaborate two course supper was served by carteress Bell. The Menu comprises two kinds of sandwiches, olive pickles, potatoes chip, fruit salad ice cream, cake, coffee and mints.

There were a hundred and twenty-five present and everything passed off admirably under the management of the Alumni Association officers and executive committee; President, Miss Ruth Junk; Vice President, Miss Ethel Black; Secretary and Treasurer, Mrs. R. O. Fountain; Executive Committee, Miss Bernice Taylor, Miss Mada Ogle, Miss Florence Boggs.

The Juniors will banquet the Seniors at the High School gymnasium, Friday night. Plans are now well under way for an elaborate affair.

The attainment of the natal day which marked for Mrs. Ruth Brownell the passing of eighty-two years in unusual health and the happiness of a most devoted family circle, was the occasion of a family dinner at the Brownell homestead Monday.

The only daughter, Miss Lucy, and the two sons, Messrs Henry and Herbert, with their families, and Mr. and Mrs. Isaac Hildebrandt, of Wilmington, were seated with Mrs. Brownell and the dinner hour was one of such intimate pleasure as only such a home gathering affords.

Pink and white carnations and garlands of smilax artistically embellished the table laid with eighteen covers.

Many friends in this community are echoing the wishes of the family circle that Mrs. Brownell may celebrate many future birthdays under equally felicitous circumstances.

In compliment to Miss Helen Bishop who leaves next Monday for Charleston, W. Va., Mrs. Earl McVey entertained with a handsome six o'clock dinner Saturday night.

A pink and white color scheme was effectively carried out.

On Monday night Miss Bishop charmingly filled the role of hostess to half dozen of her intimate friends. After music and games at her home the guests enjoyed a theater party and auto ride.

Those who participated were Misses Mabel and Mildred Kidd, Juanita DeWees, Ruth Clark and Mrs. Earl McVey.

Mrs. Josephine Kerr filled the role of hostess to the Chionians, Wednesday afternoon, serving a dainty repast at the close of the usual discussion of the drama.

Between thirty and forty relatives and friends gathered at the country home of Mr. and Mrs. John Collopy Sunday for a big picnic dinner and greatly enjoyed day.

Miss Mable Collopy, Messrs Frank and Wardus Collopy assisted their parents in doing the honors of the home.

Among the guests from a distance were Mr. and Mrs. Scienna, Brooklyn, N. Y., Mrs. Bertha Mackey, Dayton; Mr. Peatty and Mr. Nelson of Elgin, Illinois.

PERSONALS

Mr. Ray Griffith, manager of the Adams Express Co., of Zanesville, visited his parents, Mr. and Mrs. Chas. Griffith Sunday.

Mr. and Mrs. James Hagerty motored to Kingston Sunday returning Monday evening. Mrs. Hagerty's sister, Miss Bertha Mauger, accompanied them home and will spend part of the summer with her sister.

Robert Craig returned to the O. W. U. Tuesday after a week end visit with his father, Mr. T. H. Craig.

Mrs. W. D. Chaney is confined to her home on Broadway with a severe attack of tonsillitis.

Miss Miriam Perdue has returned from a brief visit in Newark to attend the closing Bromley meetings.

Mrs. Rose Hughey, of Bainbridge, is the guest of her brother-in-law, Dr. R. M. Hughey, and wife.

Mrs. Hannah Haines and Mrs. W. W. Ellis spent Monday and Tuesday in Mt. Vernon attending the commencement exercises of that place.

Perce Pearce, Emmitt and John Passmore, John Combs, Glenn Brock and Jos. Brown spent Sunday in Columbus to see "The Birth of a Nation."

Miss Nina Dahl returned Monday from Wilmington, where she has been the guest of Miss Priscilla Wood.

Mr. and Mrs. Joe Bybee of Cincinnati, were the guests of Mr. and Mrs. George Bybee, Sunday.

Mr. and Mrs. Homer Barnes, of Hillsboro, visited Mr. and Mrs. W. P. Barnes Sunday.

Mrs. Lulu H. Robinson and grandson Robert Baird, who have been spending the winter in Darlington, S. C., are expected home Wednesday.

Mrs. Josephine Kerr entertained Sunday, Mr. and Mrs. W. J. Galvin and Kenneth Kerr, of Wilmington; Miss Katharine Evans and Mr. Jack West, of Hillsboro.

Mr. Elmer Junk is in Xenia on business today.

Mr. Luther Brakefield spent Sunday with his wife at the home of Dr. J. E. Purry in Springfield.

Mr. and Mrs. Charles Ford returned Monday from a visit with Mr. and Mrs. W. E. Martin in Dayton.

Mr. and Mrs. Oscar Winkle, Mr. and Mrs. Sherman Murry were motoring guests of friends in Springfield Sunday.

Mr. and Mrs. Frank Weaver returned to their home in Columbus Monday after a visit with Mr. and Mrs. Tasso Post.

Mrs. J. Star Smith came up from Bainbridge Monday afternoon for a few days' visit with Washington friends.

Miss Elda Sever, of Austin, is visiting, Miss Mary Hyer.

Mr. and Mrs. R. C. Peddicord, Mr. and Mrs. Clifford Peddicord and Mrs. Aurelia Westerfield left Tuesday morning on a motoring trip to Elwood, Indiana where they will be the guests of Dr. E. M. Boggers, and family. Returning

they will visit Mr. Peddicord's sister, Mrs. L. M. Day, and family in Van Wert, Ohio.

Mr. Earl Saunders has taken a position in Springfield, leaving Monday.

Mrs. Roscoe Foster, of Bloomingburg, visited her sister, Mrs. Frank Ellis, Tuesday.

Mrs. Wm. Riddle and little son William, of London, are the guests of Mrs. Riddle's sister, Mrs. George Fabb, and brother, Mr. Chas. McLean, and family.

Mrs. H. B. Maynard and Willard S. Willis were visitors in Columbus Tuesday.

Messrs Geo. Hyer and Damon Baker are business visitors in Chillicothe Tuesday.

Mrs. Fred Wilson and daughter, Margaret, of S. Solon, visited Mrs. J. R. Marshall the first of the week.

Mr. Bliss Casey who is established in the undertaking business in Elyria, writes to his parents, Supt. and Mrs. Frank Casey of the County Infirmary that he has enlisted in a troop of Mounted Cavalry for Federal service.

Mrs. Mark Clifton and little son

Men Like a Wide Range of Styles and Fabrics to Select From

A man may have definite ideas as to what he wants to wear, but he also likes to see something different when he goes to buy his clothes. For most men are not adverse to changing their minds if they see something they like better.

That's why men like to trade at this store. For here they find garments in every size and in many styles—suits and coats that for accuracy of cut and refinement of fabric, leave nothing to be desired in satisfying the most careful dresser.

COUNTY WILL GET FINES ASSESSED

By Associated Press Dispatch. Columbus, O., May 22.—Fines imposed on violators of the fire prevention laws of Ohio are to be paid into county treasuries by justices of the peace and other officials, it is ruled by the attorney general's department. Several days ago the office of Fire Marshal T. Alfred Fleming came in receipt of a check for \$10. A justice of the peace had sent it in with a no-

tation that it was a fine imposed by him under the prevention laws. The state department was not certain what disposition should be made of the money and finally appealed to the attorney general's office for an opinion. It was held that the money so collected should be disposed of as are other fines.

CINCINNATI WOULD OBTAIN MOBILIZATION

By Associated Press Dispatch. Cincinnati, O., May 22.—An appeal to make Cincinnati the mobilization point for Ohio and West Virginia troops during the selective draft has been made to the war department by the Cincinnati Chamber of Commerce. The chamber will assist the government in obtaining a suitable site for the camp and has chartered land that would be suitable for the camp. Railroad facilities of Cincinnati is one of the principal advantages set forth to the war department by the chamber.

Steve Gencz, twenty, Columbus, was killed at a steel plant when a bucket of mud fell, fracturing his skull.

BOARD OF EDUCATION DISCUSSES WAYS AND MEANS FOR THE YEAR

A meeting of the City Board of Education was held Monday night and one of the chief acts of the session was the discussion of ways and means for conducting the schools during the coming year, the financial problem being a big one, and one which may necessitate some pronounced changes in several departments in order to come within the available funds. The needs of the schools are several thousand dollars in excess of the funds available, it is understood, and this problem must be solved in the near future.

At the present time there appears no alternative but to seriously cripple two or three important departments of the schools.

Senators Ashurst and Kenyon Will Become Reserve Sailors

SENATOR ASHURST (LEFT)
SENATOR KENYON (RIGHT)

Several other statesmen are to follow the action of Representative Gardner of Massachusetts and former Representative Denby of Michigan by resigning their seats in congress and enlisting in either the army or navy.

Senators William E. Kenyon of Iowa and Henry F. Ashurst of Arizona have announced their intention of enlisting as common seamen in the naval reserve.

They have already passed the necessary physical examinations.

Senator Kenyon, who is forty-eight years old, has asked that an amendment be made to suspend the existing regulation which makes it unlawful for senators to enlist as privates in any branch of the military service.

Mr. Ashurst is forty-two.

Senators Swanson of Virginia, Jones of Washington and Weeks of Massachusetts are also talking of enlisting.

CADET COMPANY TO MEET WED. NIGHT

The Company of Cadets, now under course of organization, will meet at the Y. M. C. A. at 7:30 Wednesday night, for the purpose of perfecting the organization.

All boys 14 years and over who wish to enroll are expected to be present.

OHIO NEWS

(By American Press)

Gaumer Named.

Columbus, May 22.—The state liquor license commission appointed U. B. Gaumer, Marysville, Democrat, member of the Union county board, to succeed W. R. Wellman, who has been appointed assistant clerk of the United States senate.

Brothers Held.

Charlton, O., May 22.—Forrest and Ray Joiner, brothers, both under twenty, are being held for questioning in connection with the killing of Myron Raymond, eighty, wealthy hermit whose body was found in his shack. The boys deny any knowledge of the crime.

Bread Prices Again Boosted.

Columbus, May 22.—Columbus bread prices have been boosted again. Bakeries increased the price of small loaves from 6 to 8 cents and of large loaves from 10 to 12 cents. This caused retailers to charge 10 instead of 8 cents for small loaves and 15 cents instead of 12 for larger ones.

Movie Censor's Curbed.

Columbus, May 22.—State movie censors can not investigate booking sheets of big Ohio film exchanges to discover whether the exchanges are booking films which have not been censored. Attorney General McGhee so ruled, despite charges by movie censors that the state is losing \$3,000 to \$10,000 a year through failure of certain exchanges to submit films booked and pay censorship fees.

Runaway Car Kills Man.

Cincinnati, May 22.—Edward F. Clausine, driver of an auto truck, was almost instantly killed, Jerry Donovan, a passenger, was probably fatally injured, and eight other persons were more or less seriously hurt, when a Vine and Clifton line trolley car ran wild down Vine street hill and crushed the auto truck and the back platform of a Lockland street car.

Guardman Kills Trespasser.

Cincinnati, May 22.—Edward Snyder, living in Newport, Ky., was shot and killed by Private Williams of Kentucky who was guarding the Chesapeake and Ohio bridge spanning the Licking river between Covington and Newport. Snyder and a companion, William Frayer of Detroit, were riding in a box car when ordered by Williams to get out. They did not do so and Williams fired two shots, both of which struck Snyder. Williams is charged with murder.

MENINGITIS IS ON INCREASE IN THIS STATE

By Associated Press Dispatch.

Columbus, O., May 22.—The prevalence in Ohio of an unusual number of cases of spinal meningitis is reported by Dr. Frank G. Boudreau, director of the division of communicable diseases of the State Board of Health. Dr. Boudreau says that more cases of spinal meningitis have been reported this spring than at any time since the department began keeping a record of such cases.

The average number of cases in March is 35. In March this year 95 cases were reported. The average number for April is 38, and while reports for last month are as yet incomplete, Dr. Boudreau estimates that there will probably be 150 cases reported.

Most of the cases have been reported from the larger cities. The disease appears to be most prevalent in Cuyahoga, Hamilton, Summit, Franklin, Montgomery and Trumbull counties. Spinal meningitis or "spotted fever"

as it is sometimes called, is extremely fatal. One-fourth to three-fourths of the cases result in death. From 1910 to 1916 the disease has caused 770 deaths in this state. Like measles and whooping cough, the disease is a children's disease and is spread by secretions from the mouth and nose. It is most prevalent in March, April and May. The State Board of Health urges local health officers to give special attention to this disease and to check its spread by enforcing quarantine regulations.

TO AID RECRUITING

By Associated Press Dispatch. Cincinnati, O., May 22.—Faculty members and students of the University of Cincinnati will take part in registering recruits when the work becomes burdensome for the regular officials. President Chas. W. Dabney has arranged a half time schedule for the professors at the university for this purpose.

The National Research Society has sent a notice to the university to be in readiness to make physical tests and do chemical work.

A letter of commendation has been received from Governor Cox on the military preparation at the university.

LIBERTY BONDS, WHAT THEY ARE, WHERE OBTAINED

Why it is a Patriotic Duty to Buy Bonds Now Being Offered to Fayette Citizens.

What is a Liberty Loan Bond?

A Liberty Loan Bond is a solemn promise of the United States to pay at maturity the amount of the bond to the holder thereof, and to pay interest semiannually each year from the date of the issuance of the bond until it is fully and finally paid. What is the Security for a Liberty Loan Bond?

The faith and honor of the United States, backed by all of the resources of the Nation and the American people. A Liberty Loan Bond is a mortgage on all the resources and taxing powers of the Government and all of the resources of the American people. What is the Nature of a Liberty Loan Bond?

There are two kinds of Liberty Loan Bonds. Bearer Bonds are to be issued in denominations of \$50, \$100, \$500 and \$1,000. These Bearer Bonds, which are made payable to bearer, have interest coupons attached which are detached by the holder when the interest installments they represent are due, and can be cashed at any bank the same as a United States Treasury note.

Registered bonds are to be issued, which are registered as to both principal and interest, in denominations of \$100, \$500, \$1,000, \$5,000, \$10,000, \$50,000 and \$100,000; checks for the amount of interest due will be mailed out semiannually to the holders of these registered bonds.

What Are The Terms of a Liberty Loan Bond?

Liberty Loan Bonds of the first issue of \$2,000,000,000 are to bear date of June 15, 1917, and to run for thirty years, except that the Government reserves the right to pay them fifteen years after date. If this right is not exercised by the Government fifteen years from date, the bonds will run the full thirty years.

These bonds bear interest at 3½ per cent per annum, and the interest is payable semiannually on the fifteenth day of December and the fifteenth day of June in each year.

What Special Advantages Have These Liberty Bonds?

One especial advantage no other bonds, National, State, municipal, or corporate, have is that if the United States during the continuance of the war shall issue other bonds at a higher rate of interest, the holders of these Liberty bonds have the right to exchange their Liberty bonds for bonds bearing the higher rate of interest, dollar for dollar.

They are nontaxable. If your city, county, and State taxes are three mills on the dollar, a not unusual tax these bonds are equivalent to ordinary corporate bonds or other investments bearing 6½ per cent.

In addition, no Federal tax which war conditions may later make necessary will affect these bonds. The only tax these bonds are subject to is the inheritance tax, which applies to all property of all kinds whatsoever.

How Are Liberty Bonds Obtained? Blank forms of application for the purchase of these bonds can be obtained from the Treasury Department, and Federal Reserve Bank, any National, State, or private bank any express office, and any post office in the United States. Any bank or postmaster will aid applicant in filling out his blank and the other acts necessary to obtain these bonds.

MAY REGULATE COAL INDUSTRY

(By American Press)

Washington, May 22.—The Federal trade commission, in a report to congress, proposed government regulation of the coal industry, including fixing of prices.

The commission charged producers and brokers with exacting exorbitant profits and blamed the present coal shortage at consumption points on inadequate transportation facilities.

"The price of bituminous coal, which is a necessity, should be fixed," said the report, "according to the same general principle which has been established in the conduct of public utilities. At a time like the present, excessive profits should not be permitted to be extorted from the public by producers and distributors of any prime necessity of life."

In line with the trade commission's statements concerning transportation, the supreme court handed down a decision upholding the power of the interstate commerce commission to compel railroads to furnish a reasonably adequate supply of coal cars to handle normal and reasonable demands for interstate commerce originating at mines along their lines, and to award reparation to shippers for failure to supply cars.

Lack of transportation for coal, the trade commission report says, probably will be remedied by measures being taken by the interstate commerce commission and by the council of national defense.

The commission's report said that while there had been an increase in coal production, an unprecedented demand during the last six months not only absorbed coal as fast as it could be shipped, but exhausted the small stocks in storage. The country now faces a serious situation, the commission declared, in obtaining a commodity which is basic to virtually every form of military and industrial activity.

The commission recommended strongly that coal miners be exempted in the army draft and that everything possible be done to urge them to remain at their normal tasks.

Speculating brokers as well as producers were charged with responsibility for increased prices. The producers, the report said, admit frankly they are taking advantage of the situation to make up for low profits of the last few years.

Of prices now charged for coal the report says: "Figures submitted to the commission show that most of the present prices now charged are far in excess of the cost as shown by the operators' books."

SUGAR GROVE CONCERT

The young ladies' class of the Sugar Grove Sunday School is selling a large number of tickets for the concert given in the Methodist church May 29th, by Mrs. Stinson and members of her faculty, Miss Ruth Parrott, soloist, will assist Miss Golda Ryan, accompanist, and piano soloist, and Miss Forest Allen, reader.

REBEKAH KENSINGTON. The Daughters of Rebekah will be entertained at the home of Mrs. Noah Smith, East Market street, Friday, May 25, two o'clock. It is hoped there will be a large attendance; all members urged to be present. 121 G. SECRETARY.

Saturday, 26th

There will be offered to the public a sale that we believe you will say is without antecedent even in all of Stutson's Splendid Money Saving Sale Events and a sale that you will not find duplicated in Southern Ohio.

You will find it all to your advantage to come early
The Frank L. Stutson Co.

WHO MUST REGISTER

The President's proclamation relative to registration says: "All male persons between the ages of 21 and 30, inclusively, shall be subject to registration."

Or more concretely, all men in the United States who have attained their 21st birthday and have not yet attained their 31st birthday, must register on JUNE 5th.

Hours of registration shall be between 7 a. m. and 7 p. m. at the registration place in home precincts.

Those who are too ill to register are required to apply to the county clerk for instructions before June 5, as to how they may register by agents.

Those absent from home on June 5, when in cities of over 30,000 population, must apply to the city clerk of the city wherein they may be sojourning or to the county clerk if they be in cities under 30,000 population.

Only the following men between 21 and 31 are not required to register: Officers and enlisted men of regular army, navy, marine corps, and national guard and naval militia while in the service of the United States; officers in officers' reserve corps and enlisted men in the enlisted reserve corps while in active service.

After registration the following men will be exempted from military service: Those who are physically unfit; those who have persons solely dependent upon them; those who are employed in industries vital to support of the army and navy; regularly ordained ministers and members of recognized religious organizations whose creed is against bearing arms.

Any person failing to register or who registers falsely shall be imprisoned for not more than one year.

Registration officials who fail to perform their duty or participate in making false or incorrect registration, physical examination, exemption, enlistment, enrollment or muster; or anyone who participates in making false statement to the fitness or liability of any person for service, shall be guilty of a misdemeanor and imprisoned for not more than one year.

In case of temporary absence from his legal residence a man must register by mail, but his registration card must reach his home precinct on June 5.

ARMY BOARD MAY BE HERE THURSDAY

Indications are that the Army Board named to select a site for a conscription training camp in this part of Ohio, will be in this city Thursday to view the Persinger farm as a prospective location of the camp.

The board went to Ironton, Monday and will go to Charleston, West Virginia Tuesday. Chillicothe will be visited Wednesday, and if the inspection at that place is completed in time, the board may come to this city Wednesday afternoon, or Thursday morning.

However, no definite announcement has been made as to the exact time of the visit.

SCHOOL EXHIBIT LASTS TWO DAYS

An interesting display of art work, drawings and painting by the grade pupils of Central and a sewing display by eighth grade pupils is on exhibit at the north end of the high school building Tuesday and Wednesday and the public is cordially invited to visit it.

The displays are all creditable both to the pupils and the art teacher, Miss Marie Grove. One especially good is that of interior decorating. The eighth grade girls in the sewing class have made, under Miss Grove's direction, pretty summer dresses and bungalow aprons for themselves. Their neat work is receiving much praise.

MANY BLOCKS
DESTROYED

(By American Press)
Atlanta, Ga., May 22.—Fire starting
in a negro section of Atlanta devastat-
ed scores of blocks, many of the city's
finest homes and hundreds of negro
houses being destroyed.

The flames were checked half way
through the exclusive Ponce de Leon
avenue residence section. Estimates
of the damage placed it at between
\$2,000,000 and \$3,000,000. So far as
could be learned the only life lost
was that of a woman who died from
shock.

The fire was confined to the north-
eastern part of the city and the only
business houses burned were several
warehouses at the point of origin.

A high wind carried the flames
northward with a speed which
soon outran the efforts of the fire de-
partment. Within an hour after the
first alarm the blaze began to assume
the proportions of a conflagration and
fire officials called in several hundred
men from the Fort McPherson offi-
cers' training camp to aid in the fight.
Appeals for help also brought fire
equipment from a half dozen neigh-
boring cities.

The dramatic struggle with the
flames reached a climax when the fire
fighters made a stand at Boulevard
place and began dynamiting a wide
area to protect the Ponce de Leon sec-
tion. The effort was only partially
successful, and an hour later the dy-
namiters had to begin their work over
again two blocks beyond the avenue.
A lull in the wind favored their work.

The thousands of homeless are be-
ing cared for by a citizens' commit-
tee and by the Atlanta Red Cross
chapter. Most of them are quartered
in public buildings. Many minor in-
juries were reported, but officials said
there had been few persons badly hurt.

The fire started in a storage house
on Decatur street, just east of Fort
street, burned several blocks of small
houses clean. Jumped over five low
brick buildings and a row of small
shacks, and then swept on unobstruct-
ed into the better residence sections.
A large part of the devastation, how-
ever, was in neighborhoods composed
largely of homes ranging in value
from \$2,500 to \$6,000.

Some of the most serious losses
were in the section where dynamite
was used, scores of pretty homes in a
comparatively new district of the city
being blown up. Aided by wide Ponce
de Leon avenue and the slowly dying
wind, soldiers, firemen and private
citizens blew up whole blocks of
houses. Now and then a home on the
north side of the avenue would catch
fire. For almost two hours these out-
breaks were stopped, then the flames
gained a foothold across the street,
swept on a block to Veda way, and
later moved slowly in a northeasterly
direction.

URGING THE MINING
OF MORE OHIO COAL

(By Associated Press Dispatch.)

Cincinnati, O., May 22.—Cincinnati
coal interests have received an ap-
peal from the committee on Coal Pro-
duction of the National Council of
Defense, in which the necessity of
meeting a "great emergency" in fuel
production is pointed out. A part
of the appeal to coal operators says:
"Notwithstanding the increased pro-
duction of coal from practically every
district, the increasing requirements
to meet the needs of all classes of
industries, as well as for the comfort
and welfare of the people and the
transportation of troops, munitions,
food and other products together with
the supplying of our allies, and for
our national protection—all these de-
mands are liable to surpass the capa-
city of our mines, unless the full co-
operating of the mining, transporta-
tion and distributing agents of the
country is secured. This emergency
requires not only the development of
the highest efficiency, especially on
account of a diminished supply of
labor used in the production of coal
but also in more comprehensive meth-
ods of cooperating by the coal pro-
ducers with the transporting and dis-
tributing agencies."

SERGEANT LYDY
GETS DISCHARGE

Sergeant Sam Lydy has received
his discharge from the Ohio National
Guard, following an order from the
war department to discharge all mar-
ried men who have dependents. The
discharge is dated May 12th.

Sergeant Lydy has been in different
branches of the service for a score
of years, enlisting first as flag marker
at the age of twelve years. At one
time he was Second Lieutenant of
Company M, and at the end of his
period of enlistment was out of the
service for a time, later re-enlisting
and was made Supply Sergeant, which
position he held while on the Mexi-
can border. He may enlist in some
other branch of the service in the
near future.

CARRIE RALSTON
GOES TO MANSFIELD

Arrested in Columbus upon an af-
fidavit filed by Mrs. Grant Dawes, of
this city, Carrie Ralston was brought
to this city in custody of Sheriff Jones
Monday afternoon, taken before Pro-
bate Judge Rell G. Allen and senten-
ced to an indeterminate period in the
Mansfield Reformatory.

The woman entered a plea of guilty
to a charge similar to that lodged
against Grant Dawes, and which re-
sulted in his going to the workhouse.

The woman will be taken to Mans-
field Wednesday morning, and will
not cause further trouble in this city
for some time to come.

TAKEN TO WORKS

Grant Dawes and George Ortman
were escorted to the Xenia workhouse
Tuesday morning, in custody of Sher-
iff Jones.

PRESBYTERIAN GUILD
